

Blendco's "Cleaner and Greener"® Environmental Stewardship Program

"Turn Over a Green Leaf"™

Blendco's "Cleaner and Greener" Philosophy

Green Products

- No HF or ABF, ever
- Water reclaim-friendly
- Many ingredients derived
From renewable sources
- Concentrated products
- No fillers

Green Packaging

- Compact packaging
- Recyclable plastic and cardboard packaging
- Packaging designed to be strong while reducing waste material

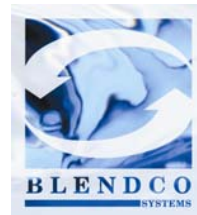

"Turn Over a Green Leaf"™

Green Manufacturing

- Core values of human health and safety
- ISO 9001 certified with a focus on quality
- Less energy consumed to make concentrates

Green Delivery

- Smaller packages mean less energy for shipping
- Distributors can deliver far more to customers with each truck load

Blendco's "Cleaner and Greener" Program

Blendco is pleased to announce our "Cleaner and Greener" Certification program for participating carwash locations:

Reflecting your carwash's environmental stewardship

Promoting the "Cleaner and Greener" message to consumers

Give consumers the choice—to patronize a Green carwash

Program requirements include:

Water conservation

Use of environmentally friendly chemicals

Employee safety and education

Recycling program

Your Blendco Representative can work with you to make it easy for you to become a certified "Cleaner and Greener" Carwash Location!

The Certification Process

A Blendco representative will work with you to certify your carwash locations. Certification criteria include:

Use of Blendco "Cleaner and Greener" products

Water conservation and reuse

A focus on safety and education for your employees

On-site recycling programs

Energy conservation and other "green" programs you may employ

Once certified, you can proudly display your "Cleaner and Greener" decal, and promote your care for the environment to your customers!

Blendco "Cleaner and Greener"™ Certification

	CARWASH COMPLIANCE	
	YES	NO
Water Usage:		
Water is a valuable resource so steps to minimize water usage in the wash must be undertaken.		
1. A minimum of 30% of the water used in the wash process must be reused.	<input type="checkbox"/>	<input type="checkbox"/>
2. Spot-free reject water must be reused.	<input type="checkbox"/>	<input type="checkbox"/>
Chemical Usage:		
Blendco has an approved line of "Cleaner and Greener" products. Only these products may be used in the washing process. Any exceptions must include products that Blendco has approved as "Cleaner and Greener" compliant.		
Products containing Hydrofluoric Acid (HF) and Ammonium Bi-fluoride (ABF) will not qualify.		
Safety and Education:		
Certification reflects a commitment to employee health and safety:		
1. MSDS's must be posted and on hand in the case of an emergency for all chemicals used.	<input type="checkbox"/>	<input type="checkbox"/>
2. Eye wash stations, rubber gloves, eye protection and other safety precautions must be in place and in working condition	<input type="checkbox"/>	<input type="checkbox"/>
3. All employees must receive instruction in safety procedures that includes the safe handling of chemicals, safe use of equipment, and an overview of MSDS information.	<input type="checkbox"/>	<input type="checkbox"/>
Recycling Program:		
The wash must have a demonstrated program to recycle or reuse packaging materials that includes the recycling of chemical containers.		
Additional "Cleaner and Greener" Efforts:		
The wash may demonstrate other commitments to the environment outside of the areas above. Ideas include:		
1. Sponsoring a charity wash program	<input type="checkbox"/>	<input type="checkbox"/>
2. Recycling of other plastics produced on the site such as water and soda bottles	<input type="checkbox"/>	<input type="checkbox"/>
3. Environmentally sound energy generation such as solar, wind, geothermal, waste oil energy or related investments in responsible energy use	<input type="checkbox"/>	<input type="checkbox"/>
4. Recycling "Purple Heart" bins for clothing	<input type="checkbox"/>	<input type="checkbox"/>
