Durashield® Protectant with Body Armor®

Never Battle the Elements without a Shield!

Durashield® Protectant with Body Armor®

Durashield Protectant uses another BLENDCO breakthrough technology – Body Armor® additive together with the latest Polymer film technology to create a strong entire surface protectant. Body Armor allows Durashield to

bond stronger and longer to your vehicles entire surface. The long lasting protection of Durashield with Body Armor can be seen as dirt rinses off, bird droppings wash away, and the surface of your vehicle is soft and shiny.

Try Durashield as a new profit service and add up to 25% more profit!
