***SuperShield® Clear Coat Protectant is  
Guaranteed to Add More Profit!***

- ◆ Watch **SuperShield®** work effectively as water is quickly repelled creating desirable beading and greater shine!
- ◆ This unique polymer blend works as an excellent protectant on paint and glass, to shield your vehicle against rain and other harsh elements.
- ◆ Blendco's exclusive additive, Body Armor®, allows the protectant to adhere to the surface of the car more completely and build a thicker level of protection.
- ◆ Boost your customers' satisfaction by using this premium clear coat protectant in your Tunnel, In-Bay Automatic, or Self Serve carwash!
- ◆ The superior quality and added protection of **SuperShield®** leaves cars with a glossy finish that will have your customers return to your car wash time and time again!
- ◆ **Recommended Product Usage:** Dilute 600:1 - 700:1 for use solution. Apply at high, medium, or low pressure for long- lasting shine and protection.
