

BLENDCO'S NEW **TOTAL TUNNEL®**

Fully Formulated Tunnel Product Line

- ◆ High Quality Concentrates
- ◆ Superior Cleaning and Shining
- ◆ Reclaim-friendly, Meets Canadian Environmental Requirements

Total Tunnel Products:

- ◆ **Total Tunnel Prep Soap #1586:** Start the cleaning process with this effective alkaline prep soap. Rich pina colada fragrance and green color.
- ◆ **Total Tunnel Tire & Wheel #1588:** Strong alkaline cleaner for difficult to clean wheels and tires. Bright yellow color.
- ◆ **Total Tunnel High pH Presoak #1590:** Nice foamy look and fast-acting to wash off tough road film and bugs. Vivid red color for extra appeal.
- ◆ **Total Tunnel Mitter Lube #1592:** Cleaning properties and lubricity for mitters and wraps to resist dragging, squeaking, and cling. Bright blue color.

Combine Total Tunnel with these Blendco products for a complete line-up:

- ◆ **Tunnel Vision Body Shine Presoak #1445:** Low pH presoak shines chrome and glass. Like all Blendco products, contains no hydrofluoric acid or precursors—ever!
- ◆ **Color Coat #1031:** Tricolor foam polish with protectant initiators and rich foam. Vibrant red, blue and yellow colors with cherry-berry scent.
- ◆ **Rhino Sheen Clearcoat Protectant #1086:** High quality protectant and polish. Rich pina colada scent and purple color.
- ◆ **Durashield #1002:** 30-Day Total Car Protectant with Body Armor polymer additives. A great product with proven performance.
- ◆ **Tunnel Vision Drying Agent #1480:** Great sheeting action for dry, shiny cars, fast.
