## **Blendco's Tricolor Equipment System**

- ✓ Blendco introduces a low cost alternative to expensive tricolor systems
- ✓ This simple system injects the changing colors in-line, reliably and inexpensively
- ✓ Adaptable for either foam brush or splatter wax applications
- ✓ No need to install multiple soap tanks, your existing tank is all that is needed
- ✓ Installs in less than 1 hour
- ✓ You will vend more time as customers play with the rich rainbow of colors!
