

# Blendco's got Tunnel Vision®

**To Really Succeed in This Business,  
You Need Tunnel Vision®**

You know the carwash business is tough. To outclean the competition, your tunnel needs a professional line of carwash products as focused as you are.

Tunnel Vision is an exciting new family of products from Blendco Systems that will boost your tunnel's cleaning capability, while reducing prep time and drying time too. Built from the ground up, Tunnel Vision uses innovative chemistries and the latest know-how to shine wheels... clean cars... rinse easy... dry fast... and keep your conveyor line moving smoothly. All at a cost-per-car that builds a successful business for you.

**Blendco's Got It.**

# Tunnel Vision® Product Line

Tunnel Vision offers the best in reclaim-friendly chemistries throughout the line. Tunnel Vision adapts SuperSat chemistry with a new easy-rinsing base and super-strong wheel cleaning surfactants. Tunnel Vision offers revolutionary new products like The Finisher®, designed to transition from cleaning to better rinsing for a cleaner, dryer car. Add into the mix the industry's best total-car protectant - Durashield® - and Tunnel Vision Drying Agent to put the finishing touches on your tunnel's outstandingly clean cars, and you've got the best, most comprehensive tunnel line in the business.

You're focused on success, so you know you need Tunnel Vision. **Blendco's got it.**

## Tunnel Vision Alkaline Powder

SuperSat-based tunnel formulation delivers strong but gentle cleaning power that rinses easily for a spot free car. Combines with Tunnel Vision liquids to create custom tunnel detergents.

## Tunnel Vision Prep Soap

Get a jump on cleaning with Tunnel Vision Prep Soap. Good foaming and fragrance through the high pressure guns.

## Tunnel Vision Wheel Cleaner

Simply the best alkaline wheel cleaner on the market. Apply at high alkalinity with Tunnel Vision Alkaline Powder to put a like-new shine back on the wheels.

## Tunnel Vision Presoak

Apply with TV Alkaline Powder to break soils free. Compatible with direct injection systems, provides a nice foaming show from the presoak arch.

## Tunnel Vision Body Shine Presoak

Low pH presoak shines chrome and glass. Absolutely no hydrofluoric acid or HF precursors used – ever!

## Tunnel Vision Mitter Lube

Provides vehicle cleaning while providing needed lubricity to mitters and wraps to resist dragging, squeaking and grabbing.

## Tunnel Vision Low pH Mitter Lube

Low pH version of Mitter Lube provides the benefits of a low pH detergent and helps improve rinsing and drying.

## The Finisher®

All new product to transition from cleaning to prepare the car for rinsing. Provides lubrication while breaking down soap foams and begin the process of sheeting water off the car.

## Durashield®

Amazing 30-day total car protectant with Body Armor® additives and polymer technology to bond stronger and longer to the entire surface of the vehicle.

## Tunnel Vision Drying Agent

Water rinses clean and sheets off the car. Even tunnels with short drip zones will get a dry, shiny car with Tunnel Vision Drying Agent.

## Tunnel Vision Auxiliary Products:

- Tunnel Vision Undercarriage Wash
- Tunnel Vision Tire Gloss (Water Based)
- Tunnel Vision Tire Gloss (Solvent Based)
- Tunnel Vision Glass Cleaner
- Tunnel Vision Towel Detergent
- Tunnel Vision Mitter Cleaner
